Directions

From the junction of Interstate Hwy 191 and Utah 211, head west for 40.6 miles to a pullout on the right. Don't worry about missing the pullout, because the road ends in a turnaround loop 0.2 miles later, and it's easy to backtrack the little ways to the trailhead parking pullout.

You will need to purchase a National Park Pass at the visitors center, which is 34.6 miles from I191 along Utah 211.
