**Directions**

From the junction of US-40 and US-191 in Vernal Utah, follow US-40 east 35.2 miles to the entrance road to Dinosaur National Monument.

Take a left onto the entrance road and follow it north 31.5 miles to the end, where there will be a parking lot for the Harpers Corner Trailhead. There are numerous overlooks along the way, and I would highly recommend stopping at each and taking a look.

Be sure to stock up on water before leaving US-40.
