Directions

From the junction of 494 and MN Hwy 5 near the Minneapolis/St. Paul international airport, drive north on Hwy 5 2.7 miles to the Shepard Rd/River Rd. exit just after crossing over the Mississippi River.

Keep turning right on to Gannon Road for a tiny distance, then turn right again onto S. Mississippi Blvd (also Shepard Rd.)

Follow Shepard Rd for 0.2 miles to the entrance to Hidden Falls Park (south gate) on your left.

Take a sharp left into the park and immediately start descending. You'll cross under Hwy 5, then immediately switch back and cross under it again. Keep following the park road till you reach the parking lot about 0.6 miles into the park.
